

## A New Model of Structure for A neutron and A $\mu$ -meson

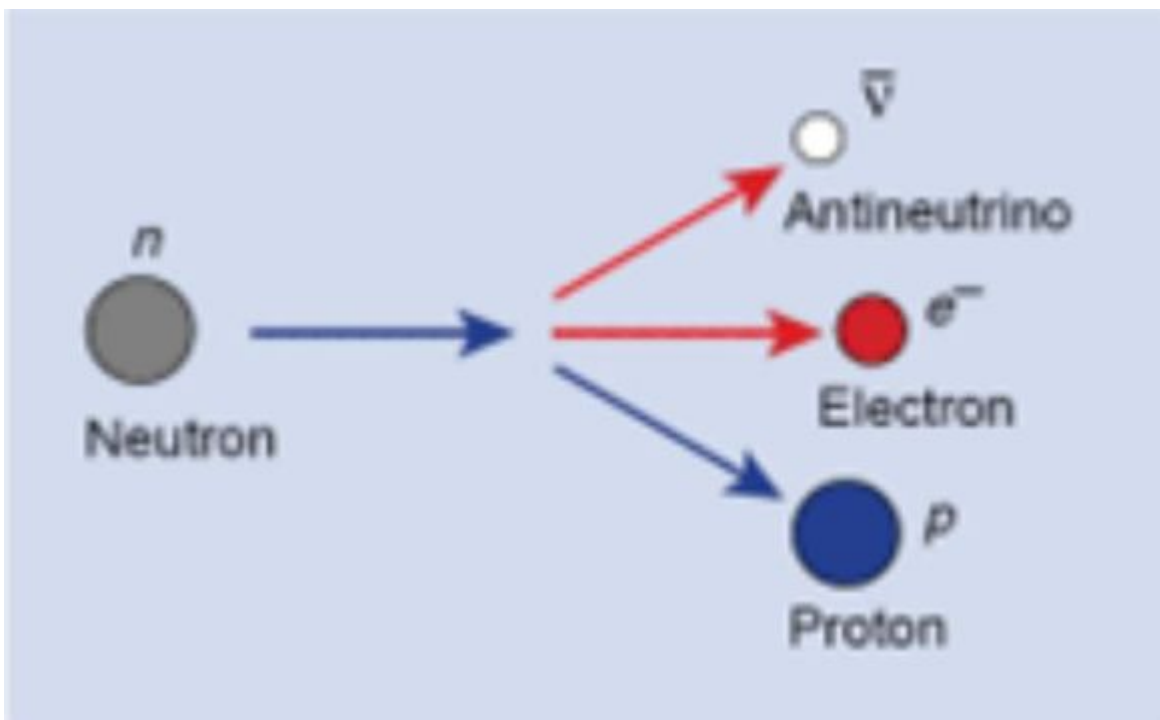

Yibing Qiu

[yibing.qiu@hotmail.com](mailto:yibing.qiu@hotmail.com)

**Abstract:** *put forward a new model of a neutron and a  $\mu$ -meson.*

**a  $\mu$ -meson = an electron + a neutrino(antineutrino)**

**a neutron = a proton + an electron + a neutrino(antineutrino)**
