United States Of America*

Abstract

In this research investigation, the author has presented *Construction of Three Types of Primalities*– namely, *Verbal Primality*, *Act(ion) Primality* and *Sense Understanding and/ or Perception Primality*.

Theory

PrimalityTypes

In the context of author's [63], [71] and [73] the author briefly describes the following:

1. *Verbal Primality* – At the word Level, it is simply the *Voice Pronunciation Primality* (as detailed already) of the Sequence of Alphabets (each again represented by a Set of Prime Numbers) of a word. If we denote empty space by a break, we can simply form Sentence Primality and even Paragraph and/ or any *Textual Primality*.
2. *Act(ion) Primality*– It is again *Verbal Primality* of an *Action* and/ or *Act* and/ or a *Video Sequence* (*1-Dimensional*, *2-Dimensional* and/ or *3-Dimensional*) described *Holistically, Verbally*.
3. *Sense Understanding and/ or Perception Primality* – It is again *Verbal Primality* of an *Image* or a *Video Sequence* (*1-Dimensional*, *2-Dimensional* and/ or *3-Dimensional*) described *Holistically, Verbally*.

For *Example*, when we wish to calculate 3. for a ‘*Mango*’, we need to take a three dimensional *Matrix* (Video and/ or Solid Image) of a Mango and express this *Perception Basis* in *Verbal Basis* for Calculating 3. Similarly, one can calculate the same for a two dimensional Image as well.

Also, for better accuracy of Primality, we can construct 1. For ‘*Mango*’ as follows:

Perception of the Universe of Mango

and/ or

Perception of the Galaxy of Mango

Also, one can Use the author's Redundancy Remover for Hyper-Refining the thusly computed *Primalities*.

Also, one can find the Primality of

Perception of the Universe of Universal Consciousness Balance

{*Perception of the Universe of Perception-Perception of the Universe of of-Perception of the Universe of the-Perception of the Universe of Universe-Perception of the Universe of of-Perception of the Universe of Universal-Perception of the Universe of Consciousness-Perception of the Universe of Balance*}

and/ or

{*Perception of the Galaxy of Perception-Perception of the Galaxy of of-Perception of the Galaxy of the-Perception of the Galaxy of Universe-Perception of the Galaxy of of-Perception of the Galaxy of Universal-Perception of the Galaxy of Consciousness-Perception of the Galaxy of Balance*}

and can Quantum Average (again this can be achieved Perfectly using 1., 2. and 3. detailed above) Any and Each of our Primality of Every Aspect (Word) with the above to Hyper-Refine it,

Note

One should take all *Care* as imposed by *Implementing the Construction* of the above *Primalities* such that they are *Constructed Compliant* with respect to the author's *Concept of Complementable Bounds Theorem* [22].

Moral

Love Is In The Alphabets As Our Very Near And Dear Teach Them To Us For The First Time In Our Life.

1. One, Two, Three and N Dimensional String Search Algorithms

Ramesh C. Bagadi

(Submitted on 20 Sep 2010 (this version))

Acknowledgements

The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time

immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.

Dedication

*All of the aforementioned Research Works, inclusive of this One are **Dedicated to Lord Shiva.***
