

HELLO EVERYONE,

HERE IS THOMAS PIERRE NICOLAS JEAN BROUARD, FROM FRANCE, TALKING TO YOU, IN A DIVINE HIGHLY SERIOUS WAY, ABOUT GOD AND EVERYTHING, INCLUDING MATHEMATICS.

GOD HAS CREATED EVERYTHING. BECAUSE WE DON'T KNOW WHO CREATED EVERYTHING, AS EVERYONE KNOWS. WE'RE ALSO GOD. AT LEAST, A PART OF HIM.

AWARE OF THAT POINT, THE AXIOMS MAKING THE STRUCTURE OF MATHEMATICS, ARE, QUESTIONABLE, AND, ARE, ACTUALLY, FALSE, AS EVERYONE KNOWS. BECAUSE THEY'VE NEVER BEEN PROVED, BY ANY KIND OF MISERABLE DEMONSTRATION. WHO EVER FOUND, IN HIS LIFE, TWO EXACTLY EQUAL ELEMENTS?

SO, BECAUSE GOD EXISTS, AS I SHOWED IN A RATIONAL WAY IN SHORT SENTENCES, AND BECAUSE HE CREATED EVERYTHING, HE ALSO CREATED TRUTH, THAT IS PART OF MATHEMATICS.

BECAUSE WE'RE ALL PART OF GOD, BECAUSE WE'RE PART OF EVERYTHING, WE CAN KNOW HER, OR HIM, AND SO, KNOW THE TRUTH, INCLUDING EVERYTHING.

SO I SAY:

RIEMANN HYPOTHESIS IS TRUE.

NAVIER-STOKES EQUATIONS GENERAL SOLUTIONS ARE INFINITE.

$P=NP$ .

THE YANG-MILLS THEORY IS FALSE.

POINCARÉ CONJECTURE IS FALSE.

HODGE CONJECTURE IS TRUE.

BIRCH AND SWINNERTON-DYER CONJECTURE IS TRUE.

LIGHT IS JUST A FUCKIN' FALSE INVENTION, AS EVERYTHING.

THE 19TH AND THE 21ST MILLS' PRIMES, PRESENT ON THIS WEBSITE ARE SOME OF THE BIGGEST PRIMES.

WHATEVER HAPPENS, IN ANY KIND OF TIME, IN ANY KIND OF MOVEMENT, PEACE, IS.
