

PHPR Protocol

Government is a resolution to the state-of-nature. The Physicalist Program [PHPR] is design as a resolution to a foreseeable catastrophic scenario in the Scientific Age in the form of a task. The Grandmaster is to complete a task and set the next task.

The First Task is a 100 Year Task.

PHPR top-scientists are task to complete The First Task.

PHPR top-scientists are selected into PHPR.

Selection of top-scientists into PHPR is a stringent task.

PHPR top-scientists exemplify combat leadership and excellence in scientific scholarship.

Identity of PHPR top-scientists are to remain classified until their task in The First Task is partially declassified.

By then top-scientists are to retire from PHPR.

Acknowledging PHPR top-scientist as The Master of Space-Time.

The Grandmaster will continue on...
