Abstract

In this research manuscript, the author has detailed a Scheme to construct the Wave Equation of the Universe.

Theory

Firstly, we consider the Primality of 'Cause' and the Primality of 'Effect'.

Let the Transformations between be given by

$$\text{Primality}(Cause) \xrightarrow{T_{CE}} \text{Primality}(Effect)$$

$$\text{Primality}(Effect) \xrightarrow{T_{EC}} \text{Primality}(Cause)$$

We can note that

$$T_{CE} = (T_{EC})^{-1} \text{ and}$$

$$T_{EC} = (T_{CE})^{-1}$$

Therefore, we have

$T_{EC} (T_{CE})^{-1} = I$ is the Wave Equation Of The Universe. This can also be considered as the Infinity Geodesic of the Universe. For notions on 'Primality' and 'Infinity Geodesic', see authors References.

Here, I is the Identity Operator.

Also, we will get better Results if we consider the Samskrutam Language Words for 'Cause' and 'Effect'.

Moral

The Child is the Father of the Man.

Acknowledgements

The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.

Dedication

All of the aforementioned Research Works, inclusive of this One are Dedicated to Lord Shiva.
