NOTICE OF IMPORTANCE

The author reiterates that the following research manuscript is authored solely by the author **Ramesh Chandra Bagadi**, i.e., the Sole Consciousness of himself in Primaryness and all else in appropriate Polynaryness called for by the Causality Flow of Time considered in Universality. One can note that All Causal Constructs (either in Evolved Or Devolved Forms of the research concepts stated by the author herein) of this author's Original ResearchWork shall only be considered by the author in Secondaryness Or/ And Polynaryness, only following the author as the necessary and socially advantageous and useful Retinue. The aforementioned Causal Constructs imply to the case of Time Tense Flow in either Directions, i.e., Present to the Past and also Past (Or/ And Present) to the Future.

Universal Communication Technologies

In this quest, the *Universal Communication Technology* is implemented using authors concept of '*Natural Quantum Coupling*' [1].

Say, if we wish to *Transmit 'Information A'* from *Location L1* to *Location L2* along two different points of a *Galaxy*, we firstly, compute the *Recursional Field Intensity Gradient Function Frequency Band Spectrum* of *Locations L1* and *L2*. We then *Slate Information A* at *Location L1* in the *Basis* of the author's *Reciprocal Converse* [2] (or all *Other Converse Types* [3], inclusive of *Natural Converse* [4]) of the *Recursional Field Intensity Gradient Function Frequency Band Spectrum of Location L2* which is *Naturally Quantum Coupled* with the *Recursional Field Intensity Gradient Function Frequency Band Spectrum of Location L2*, consequentially from [1].

In the same fashion, using the *Recursional Field Intensity Gradient Function Frequency Band Spectrum of Locations of the Universe, Inter-stitial Galactic Space, Star, Planet, Planetesimal of concern, etc, one can communicate Universally*.

Deities that have deeply contributed in the formation of the necessary scientific
temperament and the social and personal outlook of the author that has
resulted in the conception, preparation and authoring of this research
manuscript document.*

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.
