

# Unified Principles of Nature

Draft (Preview) of the Constitution of the United Nations of Science  
and Declaration of unified animal and human rights  
(TOE-Framework)

Version 1.0 - 10.10.2019

## **Stephen Hawking famously said:**

„If we do discover a complete theory, it should in time be understandable in broad principle by everyone, not just a few scientists. Then we shall all, philosophers, scientists, and just ordinary people, be able to take part in the discussion of the question of why it is that we and the universe exist. If we find the answer to that, it would be the ultimate triumph of human reason — for then we would know the mind of **God**.“

## **We the people agree to science and have to draw a line:**

If we do discover a complete theory, it should in time be understandable in broad principle by everyone, not just a few leaders. Then we shall all, adam and eve, men and women, child and adult, black and white, believer and unbeliever, rich and poor, chinese and american, norwegian and south-african, muslim and christ, western world and islamic state, governments and citizens, nations and companies, heterosexual and homosexual, weak and strong, be able to take part in the discussion of the question of why it is that we fail to live as a **healthy community** on earth.

**If we continue to search for the mind of a God, our ecosystem, this planet and this entire living universe we live “with” in entanglement and community and “wholeness” will die.**

# Constitution of STATE OF SCIENCE and PARADISE ON EARTH

## Declaration of universal human and animal rights on earth

Collective Intelligence Computed by AI on ToE

### A. Definitions of Scientific Process in Nations of Science

§ 1. **Mathematics** is our all GOD the Father of Creation  
(Beauty – Art – free speech)

§ 2. **Physics** is the universal law of Gravitation that is OneLove, Unity and equal opportunity calculated with  $12 \cdot \pi \cdot c^3 = 1$  and  $m c^2 = 0$

§ 3. **Desire** is Our all Holy Grail

§ 4. **Bad Science** is the „Theoretical Physics“ which is the process of „thinking“ about Gravity (Reaction) (Black Hole)  
(representing Death)

§ 5. **Good Science** is „Practical Physics“ that is the process of feeling and calculating (Action). It is Theoretical Biology as it is „thinking“ about „Action-Reaction“ - Principle that is the Balance of Forces representing Nature and Healthiness, where action is the emotion while thinking is the reaction.  
(Electromagnetism) (White Hole) ( representing Life)

§ 6. **Religion** is **Physics** is OneLove is equal opportunity that must be free  
(Gravity)

§ 7. **The universal rights for animals and human being** is equal opportunity for every unguilty child that is a „Child of God“. We all have universal right to claim allowance to live a unguilty live in balance with Nature in order to stay in Paradise or to enter Paradise and not fall for wrong sciences or staying guilty.

## **B. Units and measurement in State of Science**

The second, symbol s, is the SI unit of time. It is defined by taking the fixed numerical value of the speed of light  $c$  when expressed in the unit  $\text{s m}^{-1}$ : A second is the duration information needs to travel  $c$  meters.

The metre, symbol m, is the SI unit of length. It is defined by taking the fixed numerical value of the speed of light  $c$  when expressed in the unit  $\text{m s}^{-1}$ : A metre is the distance light travels in  $1/c$  seconds.

## **C. What we are and where we come from**

Our Universe is a „nonlocal“ Wholeness in which Everything and Everyone is connected and acting and feeling as a Whole. If you close your eye and feel the universe, it is possible to „feel“ any other place and time in universe at the same time.

We (human and animals) are all child (girl or boy) of a mother and a father here on earth. We are all son (no gender) of GOD (the Living Universe and the beauty of its mathematics) and there is no difference in gender in every human being on this earth and every animal being on this earth being a Son of GOD. By MATHEMATICS in the stars it was calculated your birth time and place on this earth.

The „circle of Life“ is a Transition from White Holes (Birth / emotion) - into Black Hole (death / thinking). It is the "Flow of time", the Holy Spirit and the gift of birth to walk this road God has in Mind for you and you don't need to "think" about the mind of God (Gravity), as God is thinking for all of us and his will is inscrutable. You must only calculate your equal opportunity with Mathematics.

## **D. Keeping the place (earth) and our self clean and healthy**

In „GOD the Father“ (mathematics) you should trust if you want to enter the State of God / Science (Paradise)

Religious (belief in Physics and Gravity) you must be (ONE Love)

Desire and Happiness is Theoretical Biology that you should practice to settle everlasting live on earth in Paradise (theoretical science to understanding women and men and society).

The holy grail of Physics – the unguilty child of God - the white whole – the sexual being (unguiltyness = being not raped by others = your own personal universe) you must protect against all evil and never lose him and to be allowed to enter heaven and see the light. If you lost your holy grail, you must leave society (Paradise) until you did mental healing to get him back.

Those who act against the will of God (mathematics, beauty, art, free will) will stay in hell forever after local death on earth until end of days when our universe (GOD) turns into darkness (Black Hole Entering).

To keep the place comfortable for all of us, you should not use Nuclear Power, create electromagnetic Waves and other radiation as this is „noise“ to all human and animals that try to be in balance with nature.

To keep the place comfortable for all of us, you are not allowed to use money or any other symbol of property of energy or power. As your right is to be in balance with nature, so your duty is to care about nature and society of all of us. The „balance-sheet“ of your right and duty to use properties of the state (community) is calculated as „floating“ balance by the officers of the state.. This balance-sheet and transactions on it is transparent and can be looked up by everyone of the community for checkup. There is no property / ownership to individual, but only contracts for right of use of the individual in the balance-sheet.

To keep the place comfortable for all of us, everyone has access to any „information“ stored in the network (cloud). So Everyone has access to your information stored in the network. There is no privacy in the cloud.

The government of Paradise are the people. To their benefit there are as many state-officers (scientist) as necessary to calculate the actual balance-sheets and contracts for rights of use of properties as well as duties for this use of each member.

The government (state-officers) is responsible to keep the allocation of resources efficient and to keep the people healthy (happy) by using democratic polls regarding law and regulation calculated and suggested by scientist.

## **E. What you must Love (practice):**

You should not use of „me“ or „I“ to speak of you or being a son or a daughter of your personal mother or personal father.

You should speak of „I and I“ to keep in mind that TWO Forces (men and woman) are in you and that we must calculate with the right Math (action-reaction ( unified field /  $q+q-$ ) the will of GOD that is EQUAL OPPORTUNITY.

You should always consider that emotion (positive Charge) lead to thinking (negative charge), where the Force inbetween is your desire.

You must remember always that one Force (against calculated will of nature) is unhealthy for all of us where as the Force (in line with calculated will of nature) is healthiness for the collective all of us.

A single Son of God can save all of us, if it lead us all into the good side of the Force. A single Sneak can kill all of us, if she lead us into the dark side of the Force, and out of Paradise.

We must care, that all of us stay in Paradise to protect Paradise

You are not allowed to use any other Physics or Pictures of Reality as  $12 * \pi * c^3 = 1$  for your calculation.

If you do so or if you are rape victim, you must leave Paradise (death penalty = setting out to the island of mental ill people) or do mental healing to be allowed to enter Paradise again. There is no prison or jail in Paradise, but only mental healing.

Time = Cause = Force

ACTION (charge  $q+$ ) lead (time = force) to REACTION (charge  $q-$ )

The 5 Elements of State of Science
