#### The Authorization Reason

I'm, Gerges Francis Tawdrous Gerges, Egyptian, Christian- (date of birth 9/10/1974)

Passport No. A11263731 – my certificates are in my curriculum vitae-

Egypt authority persecuted me during (2013-2019) –during this period they prevented me from any job and prevented me to travel abroad as well as they threatened mine and my mother lives – they also practice hacking on all my accounts and telephone calls, and prevented me from any contact – I have written my research materials during this period (2013-2019) and till now I can't perform any use of my research at all because of the hacking process and travel prevention- that's why I authorize Ms. Svetlana Budochkina to use my research materials – and I did all available things to make this letter as legal as possible through the blockage around me which is made by Egypt authority
